Dear Mr Cripps

**Re: Various issues**

**Your constituent: The Mission Beach Community Association**

Thank you for your letters of 22, 23 and 26 February 2007 seeking advice on various issues raised by the Mission Beach Community Association.

In regard to the replacement of the Fenby Gap sign, I am advised that a new sign has been ordered and is expected to be installed by May 2007.

Our maintenance unit is aware Singapore daisy is prevalent along the El Arish-Mission Beach Road. RoadTek, which maintains this road on behalf of Main Roads, will be carrying out a weed control program in the near future.

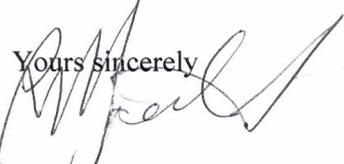

Alexander Drive and the intersection of Donkin Lane and Central Avenue are council roads, for which Johnstone Shire Council has responsibility. Wongaling Beach Road is also a council road, under the control of Cardwell Shire Council.

The issue of the development of dual walkways/bikepaths linking all villages in the Mission Beach area including a track to Licuala from Mission Beach village is a matter for Johnstone and Cardwell Shire Councils.

In regard to the Clump Point Boat Ramp, the water structure is owned by Queensland Transport while the land based facilities including the access road are maintained by Johnstone Shire Council and, therefore, are not a Main Roads responsibility.

Thank you for bringing these matters to my attention.

Yours sincerely

  
Bruce Gould
