Attention David Mason / Martin Lambert.

Dear David & Martin,

## **CARDWELL SHIRE COUNCIL SPORT AND RECREATION SURVEY**

Please find enclosed the Association's response to your CSC Sport and Recreation Organisation survey. You will be aware the Association is not a sporting body but a group which supports the interests of residents and ratepayers of the Mission Beach district – a district with common interests which is divided by an artificial Shire boundary. More details may be found on our website as shown below.

While the division of Mission Beach will not be included as a consideration in your brief we would bring to your attention that sport and recreation facilities currently in existence in both Shires are utilized and enjoyed by residents of both Shires.

Major issues brought to our attention as requiring focus by Cardwell Shire Council include:

- Construction of an Aquatic Complex,
- Shading in Parks areas,
- Replacement of removed playground equipment,
- Shading at the Wongaling Beach Skate Park,
- Provision of walking tracks and shared bicycle tracks throughout the district,
- Upgrading of facilities at the South Mission Beach Community Hall and,
- Ongoing maintenance programmes of existing facilities.

We thank you for the opportunity to comment and look forward to seeing your recommendations to the Cardwell Shire Council particularly as they relate to the artificially divided Mission Beach district.

Yours sincerely,

  
Allan Ogden
